

# Farmweld Junior Feeder.

**Durable. Productive. Versatile.**

The Farmweld Junior Feeder uses the same high-quality construction as the Farmweld Jumbo Feeder™ but utilizes lighter gauge material and smaller width for a cost saving option.

- 14" wide x 10" deep feed holes
- All 18-gauge material
- Crank adjustment
- Available in 28", 42", 56" and 70" lengths

*promotes natural feeding, minimum waste*
